MUSIC IS THE MASTER

## *New Addition to the MX Series*

Dear Valued Distributor

Mission announces the release of a new floorstanding speaker to complement its most successful MX range. Towering at a height of 1100mm\*, the MX-6 is the largest floorstander in the series configured as a 3-way bass reflex speaker, with the tweeter positioned between a single midrange and three bass drivers.

Similar to its MX siblings, the MX-6 is engineered to convey a balanced sound with the help of a built-in treble waveguide that enhances dispersion placed in the series' protective grilles. It utilises bass and midrange units produced from an advanced fibre formulation, providing exceptional strength and rigidity. It can be bi-wired for a more optimum performance and its lower section may be mass loaded with dry sand to enhance stability and provide additional cabinet damping for enhanced transient response.

### **Specifications:**

Enclosure Type	3-way bass reflex
Bass Unit	3 x 6.5" (165mm)
Mid/Bass unit	6.5" (165mm)
Tweeter	25mm (1")
Magnetic Shielding	No
Crossover Frequency	400Hz, 2.2kHz
Frequency Response +/-3dB	30Hz~ 20kHz
Sensitivity SPL/M @ 2.83V	91dB
Volume Litres	101.0
Nominal Impedance	8 ohms
Minimum Impedance	3.4 ohms
Recommended Amplifier	25 ~ 250W
Dimensions (H x W x D)	1100 x 250 x 420mm
Height on feet/spikes	1160mm
Net Weight	34kg each
