

MISSION

MUSIC IS THE MASTER

New Addition to the MX Series

Dear Valued Distributor

Mission is proud to announce the addition of a new centre speaker to complement its most successful MX range, the new MX-C3.

The MX-C3 is a 2-way centre speaker with a silk dome tweeter and four mid/bass drive units in a reflex loaded enclosure. These mid/bass drivers use an advanced fibre cone formulation to provide strength and rigidity from construction to produce a seamless radiator for linear output. The employment of multiple mid/bass drivers provides not only ample bass quantity but also much a widened dynamic range demanded by modern movie soundtracks.

Specifications:
